MEET NESTLE….and he is just about as delicious as a chocolate bar! This 12 lb, liver/blond, 2 year old Lhasa/Shih Tzu mix came into Lhasa Happy Homes totally shut down. He was shy, mistrusting and seemed a little lost to us….but a couple of weeks later, lots of love and attention and Nestle has become loving, happy, dog! He is still a little mistrusting at first, but mostly gregarious and fun! He loves the outdoors, even likes water! He especially likes to chase birds, so probably no cats for this boy! He will hug you and let you know how much he appreciates you….he will go outside if he has access to do his business but may need some help in this area. Nestle would be a wonderful dog for an active family with another small, playful dog. He will definitely sweeten up your life…if you give him a

chance.
