MEET NIKKIE….a spirited, happy, playful, 1.5-2 yr old, b/w. 11 lb, Shih Tzu. This girl just wants to have fun! Nikkie was being held at the Palmdale Shelter for an event on the weekend and we couldn’t understand why she couldn’t just be sprung sooner…so we bailed her out and took her home! Apparently, her owners had dumped her after she had finished weaning puppies – she still had milk! Never again! Nikkie loves to give kisses and wiggle around! She has a great temperament, good with everyone. She loves to go for walks but she does needs training on a leash…she is a little squirrely on a walk! Nikkie is pretty quiet and LOVES to play and definitely needs another canine in her life to keep her busy! Kids over 8 yrs old would be great. This little girl will make a family very happy, could

that family be yours?
