

Wesley

Breed: Lhasa Apso

Age: 7 yrs

Sex: Male

Weight: 13 lbs

THIS IS WESLEY...and we almost named him "velcro." This amazing, 13 lb, gray/white, 7 yr old (he has crappy teeth or we would think he was 3 yrs old! His eyes are not old!) is the epitome of love. He fit seamlessly in our house, with many other pups, and was totally chill. This dog was loved in his previous life and something happened ☐ We don't know what, but Wesley has taken it all in stride and wants to make you his person. He has adopted me, and the person who picked him up, and anyone who shows him love. He craves love! He seems to be potty trained, although we don't guarantee. He is quiet, unless you try to put him in a crate or leave him alone in a room without any humans or dogs. Not separation anxiety, just wants to be with you! Wesley loves to cuddle, he is very affectionate and gives lots

of kisses. He even loves to pay with toys! Except for his teeth, Wesley is perfection. So, if you are looking for a turn-key dog...this is him! If you have extra love to give...he is happy to take it all...and give back 1,000,000 times over. Let's give Wesley a home for the holidays and forever more!!
