

Benjamin

Breed: Lhasa Apso

Age: 3-4 yrs old

Sex: Male

Weight: 16 lbs

THIS IS BENJAMIN...and when he came to us, he had one of the worst ear infections we had seen in 14 yrs! This gray, black-masked, 16-lb Lhasa Apso was in so much pain! He is a growl talker, lifting his lip, so at first we weren't sure if he was going to kiss or bite! We found out he had a foxtail embedded deep into each of his ears, so back to the vet he went and now, voila...what a difference a day makes! This boy is so happy, loving, and funny! He loves attention, goes into nirvana when his belly gets rubbed and truly is a wonderful dog...who still growl talks and loves to be loved and love back! Benny fancies himself a hunting dog and could sit for hours watching a bird or a squirrel in a tree! He seems to be potty trained, but no guarantees at your house. Another canine should be in his life,

just because he loves the companionship. No kids, because of the growl talking (don't want to scare anyone). We love this breed and Benjamin is another special boy to join our family. Are you ready to have him join yours? He is even more handsome in person!
