**Breed:** Shih Tzu

**Age:** 4 yrs

**Sex:** Male

**Weight:** 10 lbs

MEET BOGEY....a sweeter than sweet, playful, happy, brindle and white, 4 yr old, Shih Tzu, who weighs a meager 10 lbs but full of love!! Bogey's story is sad ☹ He was in the shelter in May, because he escaped from his home....and then got out again in November. His mom was contacted, promised to come and get him but never did. Her loss is our gain, as he is a very special boy. LOVES to play. LOVES toys. Gives kisses and is a very happy boy. He even seems to be potty trained at his foster home, but he may need a refresher course! The ideal family for Bogey will be one with another small, playful dog and kids over 8 yrs old to play fetch with him. His new home should have a yard. You can't go wrong with this lovebug, who really wants to be in his forever home to show you how happy he really can be.

You better have energy to keep up with him...not for a senior home!! Are you ready for some lovin' in the New Year? Come and get him.
