

Brando

Breed: Shih Tzu

Age: 1 yr

Sex: Male

Weight: 7.5 lbs

MEET BRANDO! This diminutive, 7.5 lb, tri colored, 1 yr old Shih Tzu has been shuffled around far too much ☹️ None of it was his fault! His original owner was a nurse, who decided she wanted to relocate abroad, and so she gave him to a family she thought would be perfect for him! Unfortunately, the husband was extremely allergic to poor little Brando, despite his short haircut but the previous owner would not take him back. So, the family called us and we're glad they did!

Brando was a little shell shocked when he arrived, but he truly is a lover and a pleaser. He bonds very quickly. He loves having four legged furballs to play with and must have one in his life! He's a real ladies man and plays like crazy with his

foster sister, so a female would be best. He's a great little snuggler, gives kisses when he knows you and seems to be potty trained (but no guarantees!). He is good with everyone; even when other dogs are barking in his face! Great with kids (over 5 yrs old please). He is going to be some looker when his hair grows back! Brando will be a wonderful addition to any family. Might that be you? He's a favorite at LHH.
