**Breed: Maltese/Shih Tzu**

**Age: 7 yrs**

**Sex: Female**

**Weight: 12 lbs**

THIS IS BRIE...and she actually came to LHH four years ago, pregnant! This little 7 yr old, 12 lb, white with brown markings Maltese/Shih Tzu cherub is a dollbaby. When we got her, she was about to deliver and had four puppies, all of them a lot bigger than her except one – Mr. Lickles – who remains under 10 lbs! We adopted Brie to what we thought was a good home, a middle aged woman who now has the beginning stages of dementia and Brie ended up in the shelter! Apparently, she had gotten out several times before and Brie is lucky to be alive! Now, we want to find her a FOREVER home! Brie is happy to be your one and only, even though she gets along with other dogs as long as they aren't abruptly in her face! She's all about belly rubs! We've been told that Brie is wonderful with children and

very patient. While she can be shy at first, she is very lively, playful and funny! She will do her business outside or on a pp pad. She is quiet and would do very well in a mature, healthy home – or a home looking for a mostly calm baby girl. Brie has recently had bloodwork and a dental and she is in great health. We want her next home to be her last...can she live out her life with you? She gets so excited to see you, is adorable, and so is she! You will be overjoyed to take her home!
