THIS IS BRONX – a 15-lb, 2-year-old, red/golden Lhasa Apso. He came to us from the Carson Shelter a total mess. You would not have believed the condition he was in. We could not tell which end was up! Despite what must have been a horrible past life, Bronx is full of love and cuddle. He doesn't seem to be interested in playing with other dogs – he'd prefer to be with you! He is great with kids (over 8 years old, please), would be a wonderful family dog, and just wants to please you! He is full of wonderment and curiosity. No question that he would love to go everywhere with you. Could you be his happily ever after?
