

Brooklyn

Breed: Havanese Mix

Age: 3 yrs

Sex: Female

Weight: 15 lbs

THIS IS BROOKLYN...and she earned her name because she has lots of moxy! We think that she is a Havanese mix, but we're not sure what the mix is! This 3 yr old, 15 lb, black/white, darling of a dog is non shedding and probably hypoallergenic...but you'll have to test that for yourself. This is what she looked like when she arrived:

What we can tell you is she is personality personified! She

listens when you give her parameters like “stay” don’t run out the door. Stop, when she is barking, and she is a complete love in the car, sitting like a little lady! That being said, she is VERY active and happy and she would do best in a home with another, small, active dog. She is a girl who would be happy going running with you and while we don’t think she has separation anxiety, she will bark when you initially leave but quiets down. That is only because she wants to be with you! She does her business outside or on a pp pad, but no guarantees at your house. She would not be a good fit in a senior home, as she really is rambunctious and loves to be in your face giving you kisses! She loves toys, people, other dogs and kids over 10 yrs old would be fantastic (we just don’t want her to knock them over!) Whatever she is, she can be yours if you have the right fit...and she will make you a very happy doggie parent!

****Brooklyn will be at adoptions on May 21, 2023** as she is recovering from pneumonia ;(
