MEET CHATO & PENNY, a bonded pair of tri-colored Shih Tzus whose owner sadly passed away.

Chato is a neutered male. He is 9 years old and weighs 15 lbs. He's loveable and responds when you call him. Likes to be held...follows you everywhere. He likes raw-hide chews. He plays with toys and is good in the car.

Penny is a spayed female. She is 4 years old and weighs 11 lbs.

She's loveable, gives kisses, and responds when you call her. She is protective of Chato and my husband. It seems like it is out of jealousy rather than viciousness. She plays with toys and is good in the car.

Both dogs are housebroken and will use puppy pads if the door is closed and they cannot go outside. They are up-to-date on shots. They MUST be adopted together.
