**Breed: Lhasa Mix**

**Age: 4-5 yrs old**

**Sex: Female**

**Weight: 13 lbs**

Meet Cous Cous, a 13 lb, 4-5 yr old, tan with black tips Lhasa/Tzu mix, who is a total goofball! She loves toys and loves to play tug of war. She has the cutest little underbite smile that shows only two teeth. Little CousCous came out of the shelter with a ruptured ACL and the vet determined she did not require surgery, just rest. She is doing well and has healed nicely. Her foster mom says she does well on a leash but can use training to not pull. She will run if she gets free, so she must be on a leash at all times. She seems to be potty trained; she needs to go out right away in the morning, and when she gets hyper, she's telling you "it's time to go out." While she is doing well, we never guarantee any dog comes potty trained. CousCous would be happiest with a canine companion in

her new home, but she can be a little picky about her friends.

Cous Cous is a comedian, and whoever gets to adopt her will definitely need to have a sense of humor, as she'll make you laugh all the time. Could you use some laughter in your life?
