MEET DREAM...and she is! This precious 3-4 yr old, 13 lb, cream/black tips, Havanese/Shih Tzu, is one of the sweetest pups ever! In her past, the only thing we are sure of is she was used as a breeder dog at a young age ☐ She is like a puppy, mouthy when she plays (no aggression) and wants to play, play, play with her foster roommates. She has no idea what a toy is or what to do with it...but she is smart and learns quickly. She wasn't leash trained when she arrived, but now she prances like a little show dog! We can't attest to her potty training except to say that she is "getting it" and does her business on walks (three times day). She is a good eater and is not protective of her food with other dogs.

Dream is very affectionate and will space out when you are giving her a belly rub! She is quiet – we haven't heard her bark yet – but that doesn't mean she doesn't have it in her! If you want a girl who will cuddle and kiss you...Dream is that girl. She deserves all the love in the world!

The ideal home for this doll will be one where there is another, young, small, playful pup and a family who is around to show her the ropes, take her on outings and spend time with her. Training would be wonderful for her to know you are in charge. Kids over 8 yrs old are welcomed. We don't believe she has been socialized much, although she outgoing, she can also be very shy. Everything is new to her, but there is no question about it...Dream is a dream!!
