ECLAIR IS CURRENTLY PENDING ADOPTION

MEET ECLAIR....who is just as sweet as her name. This precious 9 lb, 3-4 yr old, cream/white, Maltese mix came to us from the streets of San Bernardino. We were asked if we would take her...we said yes, but they failed to tell us she was VERY pregnant. Sure enough, a week after we got her, she delivered three healthy babies – two girls and a boy! She is a wonderful mother and has weaned them, now seven weeks old (12/24). Eclair spends time with her babies, surveys the house, follows you around, goes back to her babies and is a very loving girl. She is very affectionate and is even OK with a cat or two. She takes herself out to use the “facilities” but we can’t promise

she is 100% potty trained...but close. Her #1 priority was her pups, but she was never over protective. She is calm and patient... we can't find anything negative to say about her. She will be available for adoption January 6, after she has been spayed. Eclair is a very smart girl, loves to cuddle, great with kids...will let you know when someone is at the door but she is not yappy or a barker! If you are looking for a special malty girl, come get her.
