MEET EGGROLL...a delicious, adorable, purebred Shih Tzu puppy, who was born on November 14, 2018 and presently weighs 6.6 lbs. He will likely be around 10-12 lbs at maturity. Eggroll was purchased by his pet parent at a difficult time in her life, and

ultimately was unable to give him the life she wanted him to have and she decided she wanted us to rehome him. He has had two sets of shots and is chipped...and is a happy boy! He is teething, but not destructive. He is not yappy, but he is happy!! He is a typical puppy...great in the car and was well cared for during the time his mom had him.

Eggroll will be ready to go home immediately as soon as the right home is found. He requires a home where there is a commitment to raising a puppy! Children over 8 yrs old are welcomed, and parents who around to train him a positive and necessary!

His adoption fee is \$375, plus there will be a \$250 neuter deposit, which will be refunded when he is neutered (at 6 months minimum). He will not be placed out of SoCal. He can be seen at a meet-and-greet by appointment only. He will not be at our weekly adoption event. He is a fantastic puppy...to the right home!
