MEET ELLE...a pretty little miss who came from the Palmdale Shelter totally disheveled and scared to death! This petite, 7-8 lb, 5-6 yr old, Maltese Mix is the type of dog whose feet should never touch the ground! She picks and chooses her canine friends, but typically gets along with everyone. She would even be okay with older kids, but we think she would be happier as your one and only! She is a total lovebug, gives lots of kisses and her favorite thing to do is cuddle with you no matter where you are. She sometimes will whimper when she is left alone, so she needs a home that will give her lots of attention. She did have to have some benign mammary tumors removed, but she is AOK.

The ideal home for Elle would be one where she is spoiled to life...a mature home would be great where she can know how much

she is adored. Could that home be with you? Let us know!!
