MEET LITTLE EVIE...and a cuter puppy you will never find! This little 2 lb (at present), tri colored, 7 week old Shihpoo puppy (DOB 6/7/2017) was being advertised on Craig's List "FREE to good home." Ugh. A woman saw the ad and didn't want the puppy to randomly be given to anyone... so she took it to foster but wasn't used to puppy energy...so she called us. Evie is a delight!

She is 100% puppy, chasing balls, playing with toys, playing with her foster siblings...she is precocious, happy and healthy!!

Like all puppies, she will need training and a lot of attention to insure she grows up to be a great companion. She MUST BE PLACED IN A HOME WHERE there is another, young, small, playful dog. At maturity, she might grow to be 10 lbs or she could be smaller. One never knows with puppies! She would be great in a

family with a yard and the time to devote to her. She will be available mid August, but we are accepting applications now.

She will not be at adoptions until the first week in August but will go home at 11 weeks old (after she has had two sets of shows). Her adoption fee is \$400 plus a \$200 spay deposit, which will be refunded once she is spayed at 6 months old.

LOCAL PLACEMENT ONLY. Evie is a special girl, looking for that special home! Kids over 8 yrs old welcomed!
