MEET FELICITY...and this 1 yr old, 10.6 lb, cream, Maltese Mix (maybe with Lhasa?) beauty has had a rough time in her short life. She came from a hoarding situation in Modesto, and we got her transported to LA with Keisha. Felicity is a super human oriented dog and talk about loving!! But...she doesn't like to be left alone, so she must go to a home where there is another dog. The dog could be a bigger dog – she doesn't love it when other dogs "bug" her...but she likes to play. And you think our job is easy!! We believe she should go into a home where there is activity and kids over 8 yrs old...and hopefully, she is not left alone much. She does settle down and we don't believe it is separation anxiety...she just loves to be loved. She loves to give lots and lots of kisses and is very gentle...unless she is

playing! She enjoys her walks and is learning what to do on them...but she will need "official" training! If you are looking for a lovebug to add to your family...look no further... here's Felicity!!
