Meet Fozzy Bear...and he definitely earned his fuzzy bear name! Fozzy came to us from North Central Shelter, a filthy, hot mess – obviously not cared for. Sadly, he's been shaved down because he was matted to the bone but look at him now! Post makeover, he's a studly Fozzy Bear! Confident, happy and a lovebug. When you first meet him, he's a little shy, but when he comes out of his shell, he's Mr. Happy Pants! Very sweet with other dogs and very playful and human-oriented! He could go to any home with kids over 8 yrs old, would be a wonderful family dog with a canine companion. He will talk to you to let you know when he wants something. With training he will be your bestest buddy. We love Fozzy Bear!
