**Sex: Male**

MEET FREEWAY....and yes, you guessed it, he was rescued from the freeway!! His rescuer grabbed this adorable black/tan, 11 lb, 1-2 yr old, Schnauzer Apso (he has Schnauzer markings but a Lhasa coat) by the leg and Freeway nipped him (I would have too). This landed him in quarantine in the Carson shelter. Oy vey! This little boy is the SWEETEST baby and might lick you silly before he would ever bite! Freeway is a joy. He is so smart! He listens, he sits, he seems to be potty trained but we never guarantee. He is very active and loves to play! Kids over 8 yrs old should be in his life, along with another small, young, playful dog! Like most young dogs, he will need training to be the best boy he can be – but he is smart as a whip and wants to please. We can't say a bad word about

him....happy, playful, smart boy! He needs a special home – is that yours?
