THIS IS FRODO...and he will be your companion through any "evil" in your life! This little hairy hobbit Lhasa/Shih Tzu, is 4-5 yrs old, tri colored, 10 lbs and if Disneyland is the happiest place on Earth? Frodo is the happiest dog on Earth! Even at his adult age, he is full of life, love, playfulness, kisses and curiosity. He loves to investigate, loves other dogs, loves to say hello to people...he's just an overall love! Even at 4-5 yrs old, he needs to be exercised...he loves to walk and run in the park and just play! The thing that he doesn't like is to be left behind or crated. He'd rather be exploring. Frodo the explorer! The right home for him would be a family with kids and at least one other dog to play with. Kids over 8 yrs old please! He will make your house a home!! Do you have the

furever home for this baby boy?
