THIS IS GALA...and she is a party in a dog! This precious tan/white (with black tips), 13 lb, 2-3 yr old Shih Tzu/Lhasa came to us from Baldwin Park Shelter, with an injured eye. Unfortunately, we don't think she has much sight in that eye, but it does not cause her any pain, so it did not need to be removed. She is so cute, you don't even notice. Gala loves to snuggle and cuddle with you and she will follow you everywhere. She can get under foot, so one must be careful! She seems to be potty trained but no guarantees at your house...definitely goes on pp pads too. A home with or without another dog would be fine, as long as Gala gets lots of attention. She loves toys...and she loves to play with YOU! Do you maybe have a place in your arms, heart and lap for a party girl like Gala?
