MEET GALLAGHER...NEW GLAMOUR SHOTS: a handsome, 2-3 yr old, tan/white, sweet as he can be Lhasa Bichon maybe a sprinkle of Cocker? Hmm...that black eyeliner around his eyes is a dead giveaway. The Lhasa part? Long body. Ears cocker spaniel!

He can be whatever you want him to be! He is a wonderful boy with a sad, short history. Gallagher's human died and he was given to someone who really didn't want a dog, she just took him to keep him out of the shelter. She gave him to friends of LHH and the rest is history. It's no wonder that Gallagher doesn't want his person to be out of his eye range for long! He's a strong guy, so he would not be good in a senior/mature home. When you leave, he does bark but settles down, so an apartment would not be great for him. A home with a yard is what he

needs! He would love to have a family, with kids over 8 yrs old to play with and definitely another dog to keep him company and play with him. That being said, he doesn't want his humans gone much of the time, but nobody is home 24/7! He's a little nervous in the car; he kinda wants to drive! Loves to go on walks and will be even better with a little training! He will give you kisses once he feels comfortable...and he will snuggle with you always! He needs a little work on his potty training, but he's pretty good! What more can we say...he's a sweetheart of a dog who needs a sweetheart of a family. Might that be you?
