

GIGI

Breed: Shih Tzu, Yorkie ?

Age: 2 yrs

Sex: Female

Weight: 11 lbs

THIS IS LITTLE MISS GIGI...and she is a very happy dog but very shy at first. As best we can guess, she is a Shih Tzu Yorkie, who is 11 lbs, black and tan/white and about 2 yrs old. She was in the shelter with Maya, and we thought they were sisters before they were shaved! Take a look:

When they were reunited, they didn't seem to be as joyous as we would have hoped!! That being said, they do like each other but do not need to go as a pair. Gigi is a kisser, toy player, lover and cuddler! She is good on walks and does her business pretty quickly. We can't guarantee she is potty trained, but if she isn't, she is close!! She will use PP pads if necessary. She definitely wants to be with you if you are in the house and

will bark at strange noises if she hears them, especially when she is looking out the window! But she does love other dogs and would like a buddy. She would not be happy alone. The best home for GiGi would be one where she gets a lot of love and attention, exercise and obedience training to be the best little girl she can be. If you don't have another dog for her to hang with, hopefully, you are there for her! She is very smart and wants to please, so please be one who will love her to life...forever and ever!
