Breed: Lhasa Apso

Age: 1-2 yrs

Sex: Female

Weight: 12.6 lbs.

MEET GLEE...and she is full of it! This happy go lucky, tan/white with black tips, 12.6 lb, 1-2 yr old Lhasa Apso is an absolute doll. She loves everyone...dogs, people and kids! She is very active and loves to play with you, with toys, but most of all, with other dogs! Glee came from the South LA shelter, and how she ended up there is a total mystery to us. Well, we have found out that Glee loves to steal shoes and make appetizer's out of them...and she can get into mischief if left to her own devices...but that can be fixed with training, which she needs. She will let you know when she wants your attention by barking at you as if she is talking! She likely would not be a good apartment dog for that reason. She would be great for a family with kids (8 yrs old plus), another dog (A MUST), a yard

and a pile of toys! Glee even seems to be potty trained at our house, can't guarantee at yours...but will use pp pads if they are available. If you are looking for an all around wonderful dog, who will keep you laughing and add a delightful energy to your household...Glee will do the job! She is waiting to meet you!
