

Governor

Breed: Lhasapoo

Age: 4 years

Sex: Male

Weight: 16 lbs

THIS IS GOVERNOR, a smiley 16-lb, 4-yr-old, white Lhasapoo from the Carson shelter. We almost named him "Happy," and when you meet him, you'll understand why! Governor loves everyone he meets – human or canine! He's a great snuggle buddy. He's a smart boy – he already knows how to sit, stay, and use a doggy door! May need a refresher course on potty training. He's good in the car and loves going for walks. He'd be great in almost any home environment, as long as he's not left alone all day!

Kids who are respectful of doggies (over 8 yrs old, please) are welcome! He's a playful pup, but we're still getting to know him and whether he needs another dog in his new home. Could you be Governor's furever family?
