MEET GRAYSON...one really cute dog who doesn't photograph so well!! He's gray, black and tan, about 13 lbs, 2 yrs old and a Poodle mix of some kind...doesn't shed and has very tight curls!

Not our typical rescue, but that is what sets him apart from the rest! What a personality he has!! Loves all dogs, big and little. Loves to run around in the yard and is very curious.

Not a barker...chases after tennis balls but doesn't know what to do with them once he has one! Grayson is a big kisser to let you know how grateful he is to be off the streets and in a home.

He is very smart and a huge cuddler. What more could you want!?

A home with kids, another dog or two, a yard for him to roam in and a happy family is what Grayson wants...and what we want for him. Is that you??
