

Gwynnie

Breed: Shih Tzu

Age: 7-8 yrs

Sex: Female

Weight: 10 lbs

MEET GWYNNIE...and they don't come much cuter than this petite but stout 7-8 yr old, 10 lb, tri colored Shih Tzu who came from the Palmdale Shelter. This little missy could fool you with her calm, sweet demeanor...but don't let it...she is feisty and can hold her own! She just arrived two weeks ago, so we are still trying to figure her out...but she gets along with everyone...even those who are a little persnickety themselves. Gwynnie will follow you everywhere to let you know she is still there! She is quiet and still learning where the bathroom is, but all she really needs to know is where you are! Perfect for a mature household, but not too sedentary because she needs to walk (even though she doesn't love it) to keep her girlish figure! Gwynnie is a dollbaby and will make any house a home. She won't last

long...someone will scoop her up post haste!
