MEET HAPPY….and she is a happy girl! This little 13 lb, white, 5.5 yr old Maltese Shih Tzu came to us via a neighbor who saw that she was not getting the attention she deserved…and the neighbor agreed and gave her to her to give to us. You still with us? Happy was a little slow to warm up to us, as she wasn't really sure what was going on….but now she is hopping up on the bed, giving lots of kisses and smiling from ear to ear! She is friendly with everyone, albeit a little shy at first….and if you adopt her, expect to have a shadow by your side, at your feet and letting you know that she is your best friend. Happy loves to go on walks and she is learning what to do on those walks! We think she is used to pp pads, but with a yard, she will learn "happily" what to do because she wants to

please you. Happy doesn’t need another dog, but she would not like being left alone during the day and would probably bark out of boredom! She loves to explore and give lots of love. Kids over 8 yrs old welcomed. Happy is a wonderful dog…and will make a wonderful best friend.
