

Hattie

Breed: Lhasa X

Age: 3 yrs

Sex: Female

Weight: 12 lbs

HI THERE HATTIE....welcome to Lhasa Happy Homes! This pretty tri colored, 3 yr old, 12 lb, Lhasa mix (maybe with Dachshund or Shih Tzu or something that is cute and loving) is a dollbaby.

She is quiet, happy-go-lucky, easy going, lovable and her favorite thing is to get belly rubs – and she'll perform for them!! All she has to do is look into your eyes...and she does it so well...and she'll have you wrapped around her little paw!

Hattie is good on walks and in the car, she wants to drive!

She doesn't give too many kisses, but she will bestow them on you once you earn them!! Hattie would be wonderful in almost any home, with or without dogs and/or children. She wouldn't like to be left alone all day, so she would need one or the other! Could you provide this wonderful girl with a forever

home?
