**Breed: Lhasa/Shih Tzu Mix**

**Age: 5-6 yrs**

**Sex: Female**

**Weight: 13 lbs**

MEET HAYDEN...and a sweeter, more adorable, tri colored, 13 lb, 5-6 yr old, Lhasa Shih Tzu mix you will not find! Hayden is a lover. She bonds pretty quickly to her person, evidenced by the fact that she will sit as close as she can get to you in the car! Hayden for the most part is mellow, but we've seen her start to play with the other dogs! Lately, she has become very playful and we believe she is best suited to be in a home where she has the companionship of another dog or two or even a cat! She is not a barker, unless to alert from time to time. She can be independent, but we believe that just depends on her environment. She is very affectionate but doesn't need or want to sleep in bed with you! Hayden gets along with people and other dogs of all ages...she is just a sweetheart waiting for the

right home to come along! Might that be with you? Kids over 5 yrs old would be fine! She does love to play with the right dogs!!
