MEET HULK – a handsome 8-year-old, 15lb, tricolor, purebred Shih Tzu. Just look at those eyelashes! Hulk is a happy, healthy little guy who is ready to give his new owner 100% of his love and attention. He's a total cuddle bug and will spend all day curled up with you on the couch if you let him. He also loves to play, go on walks and lay outside in the sun on cool days. He's an easy little guy to take care of, his biggest needs are love and affection. He's incredibly loyal and will give his all to his new family. He definitely has a big dog mind trapped in a little dog's body. He has been with one loving owner since birth and was surrendered when his owner had a baby and he had some troubles adjusting. He'd do best with someone who has experience taking care of small dogs, in a household without young children. He is completely housebroken (but no guarantees in your home) and knows basic commands. Hulk needs to go to a home

where someone is home most of the day, as he is not used to being alone. He would love to have a canine companion in his new household as well.
