MEET IRELAND...a precious 7 lb, tri colored, 3-4 yr old Maltese/Yorkie (Morkie), who was lost, on the streets, a mess and needing a home. Her rescue angel called us, after trying to find her owners for 8 weeks, and we were happy to help. Ireland is extremely shy and is slowly but surely breaking out of her shell. Who knows what her past was about...we can only hopefully guarantee that her future is ensured to be a great one – that is our promise to her and to you! Since Ireland is a bit on the fragile side, and easily could be a pocket pooch, we don't recommend children. The ideal home for her would be one where she will get a ton of attention and love; socializing will be important. She is not in the least bit aggressive, she just wants to be safe, sound and loved. We are still getting to know

her so check back for any updates. Might you have a place for this little doll?
