

Isaac

Breed: Lhasa, Poodle Mix

Age: 6 months

Sex: Male

Weight: 11 lbs

THIS IS ISAAC...a rambunctious, happy, 6 month old (DOB 5/2015), tri colored, 11 lb (probably 15-18 lbs at maturity), Lhasa Poodle mix, as best as we can determine. He does not shed and he is learning manners, but still has all the puppy antics that puppies need training for! Isaac loves to give kisses and chase after toys, although he's not sure what to do with them once he has captured one! He loves to give kisses to his foster buddy, Miranda, but she's not so fond of receiving them! He is friendly with everyone and would love to have older (over 8 yrs old) kids in his life, along with a yard to romp and play in and definitely a canine brother and/or sister to grow up with.

Isaac is getting the hang of potty training but still needs training (he squats and does not lift his leg) and wants to

please. His eyes will tell you all you need to know about his loving nature. The family who adopts Isaac will need patience and the time to train him to be the best boy he can be. One thing, he does get carsick about 5 minutes after he gets in the car, so don't feed him before he is about to go on a ride! This is not unusual with puppies, but he should grow out of it.

Otherwise, he's almost perfect! If you are looking for a wonderful dog, this might be him!!
