MEET JASPER…..a precocious little 9 lb, 3 yr old, tan/white, ShihPoo – as far as we can tell! The shelter shaved him before we picked him up, so we're not 100% sure. What we are sure of is he is an absolute doll!

Are you looking for a playful little imp who will kiss you 'till the cows come home and snuggle with you at will? Are you looking for a little guy who is like a boomerang when you throw him a toy, who will fetch it back to you every time? Are you looking for a guy who wants to go with you everywhere because he doesn't like being left behind…who would love to be part of a family with kids over 8 yrs old – watch sporting events with you – tag along at brunch and let you know how much he loves you? Jasper is that pup!

Not 100% potty trained, but getting better. Does his business outside, sometimes on a pp pad and sometimes misses…but Jasper is very smart and wants to please. He is VERY playful and would love a companion dog, but is also very human oriented if you don't plan to leave him alone much. He is pocket size and will fit under the seat in an airplane…or sit next to you if possible! Jasper is a fantastic buddy and is a cutie patootie who will give you lots of laughs and pure enjoyment – just needs a little patience and attention to make him happy. Does that sound like your home? He is definitely a winner!!
