THIS IS JOEY...an absolutely adorable, happy go lucky cream with black markings Poodle Mix, as best we can guess!! Joey is about 3-4 yrs old and 15 lbs of sweetness! He was dumped at a park and was chased around for days before his rescue angel was able to catch him. We're glad she did! After no success finding his parents, he came to us. Joey is a Velcro dog, seriously! He loves his human. He will sit by your feet so obediently. But this boy has energy! He can jump high enough to kiss you on the nose...and give him a chance and he will! We have never seen his tail down! If you give him a belly run, you will see the definition of "relaxed!" He is a good eater, great walker (occasionally will bark at strangers) and is very devoted to his person(s). Joey would be great with a family with kids over 8

yrs old. The one thing he does not like is being left alone, so if you work from home or have someone at home most of the time...that would suit Joey just fine! Otherwise, he needs a companion, either cat or dog. He can be extremely playful...or very chill with you. He gets nervous when he is left alone and may redecorate your place. He seems to be potty trained but probably will mark to let you know he has arrived! He would be a fantastic therapy dog!! Most of all, he wants YOU! Are you looking for someone to rescue you? Joey is your guy!!
