HERE'S KASEY….who couldn't be happier to be out of the shelter! Why he was ever there in the first place is a mystery to us. This precious, 11 lb, golden tan, 1-1.5 yr old, Shih Tzu X (maybe a little Lhasa?) is also known as a little circus performer! He loves to dance on his hind legs and bat his paws around, letting you know he's totally ready to play! Loves walks, loves toys, loves people and loves other dogs! He's a lady's man….and can get a little fresh with the girls….gives new meaning to being the caboose! He loves belly rubs but is definitely on the active side, so going to a family with another playful dog and kids (over 5 yrs old please) would be perfection for Kasey! He would not be good in a sedate or senior environment. While he seems to be potty trained, we never

guarantee. He is at doggie playcare, being a little social butterfly, so he may need a refresher course. He will use pp pads, but loves to rearrange them to his liking! Kasey is a character who will keep you smiling, and he’s ready to clown around with you!
