MEET KIRA....a very special, 15 lb, tan colored, Lhasa Tzu, who is approximately 8 yrs old and has the cutest underbite! Kira was adopted to a wonderful home last August, but her mommy took ill unexpectedly and passed away. Kira is a special girl and if you are looking for a calm, yet springy, loving companion, look no further. Kira was matted to the bone, disoriented and shut down from being in the shelter. It took her a couple of days to settle into her foster home, just to know she is safe! It took her no time to find the toys, run up and down the stairs and act like she has always been home. Oh yeah, about Kira and toys: SHE LOVES THEM....and it's fun to watch her fetch and squeak! She is easy going, seems to be potty trained (but no guarantees at your house), very quiet and snuggly when you show her it is OK.

Kira is a special girl and the perfect home for her would be one where she is loved and cherished – we don't think she's had much in the past...but she got used to it in her adoptive home and now wants more!! We know there's an abundance in her future! Is that with you?
