Kukla & Ollie

Breed: Lhasa Apso Mix

Age: 2 yrs

Sex: Pair (one male, one female)

Weight: 18 lbs & 21 lbs

HERE THEY ARE – Kukla and Ollie. Fran is missing in action! Kukla is an 18 lb, female, charcoal and white brindle Lhasa X, approximately 2 yrs old. Ollie is a 21 lb, male, cream and tan Lhasa Apso, also 2 yrs old. When we pulled them out of the Moreno Valley Shelter, we were absolutely shocked to see their condition. Neither of these dogs had EVER been groomed! The matts were inches deep and our fantastic groomer was able to save just a wee bit of hair! Both these dogs came to life once they had been sheared! Kukla is the leader, Ollie the follower! Kukla loves to play with her toys, and Ollie loves to play with Kukla! They are very bonded….and they will bond to their humans very quickly. They can be a little shy at first, but they have the best temperaments: gentle and sweet. We haven't heard a peep

from them, but Kukla does like to mimic a fire engine siren when she hears one! These pals walk side by side….play side by side and even sometimes do their business side by side! While they have probably been outside dogs all their lives, they are learning quickly where the bathroom is and they are very smart as Lhasa are! If they can’t hold it, they use pp pads….but no guarantees at your house! If you are a family, with a yard and hearts that need to be filled with love, this pair of pups is your answer! Kids over 6 yrs old welcomed!
