

Latte

Breed: Havanese Mix

Age: 3-4 yrs

Sex: Female

Weight: 11 lbs

THIS IS LATTE...a creamy, smooth, loving little 11 lb, liver/white, 3-4 yr old Havanese mix. All she wants to do is give you love and get attention. Latte is a wonderful girl who loves to go on walks, is great in the car, great with other dogs and loves to sit on your feet or your lap...as long as she can love you and get attention. She has good energy...likes to play with other dogs and is quiet as a mouse. We have not heard her bark yet! We think that Latte would be good in a home with other dogs, children, and a family who will dote on her. She could also go into a more mature home, as long as she is exercised. She gives little kisses to tell you how much she appreciates good food and love! Seems to be potty trained but no guarantees at your house! We love Latte...and we think you

will too ☐
