MEET LINUS and LUCY….a brother and sister pair who came from a Mi-Ki (a relatively new breed) breeder's home when she had to go into assisted living. They look like Yorkie mixed with Mi-Ki…and are 100% cute! Linus is the leader, 7.8 lbs (underweight), with loads of energy…loves to give his sister Lucy, 9.6 lbs, lots of kisses! They are both golden, with soft hair that does not shed. While we have estimated their age at 7 yrs old based on their teeth, they act like puppies …very happy, sweet, and active! They could use training on the leash, as they are curious about everything and like to check things out! The breeder did due diligence, as they are pretty much pp pad trained, both s/n and as loving and kissy as any dogs could be.

They would be best in a home with a yard, and a family with kids over 8 yrs old (they get zealous when they are kissing you and can nip your nose in their excitement) would be great! If you are looking for a pair of sweethearts, who will provide lots of love and entertainment…Linus and Lucy are waiting for you!!
