MEET LORELEI! This angel has moved on from the Gilmore Girls…to Lhasa Happy Homes! She is a black (with a touch of brown), 8 yr old, 12 lb, Longhaired Dachshund / Yorkie mix (soft coated, doesn't shed). Her owner dumped her in the North Central Shelter with Rori (posted separately). Lorelei is a little reserved at first, but once she knows and trusts you, she will even give you kisses!! She loves toys like crazy and will bark to let you know when she wants something…like to go out, or have a treat or when she is in the car to protect you from strangers.

Most important to her is to be loved. She seems to be potty trained, but no guarantees! Even though Lorelei is not really our typical breed to rescue, she is a doll. She is a wonderful dog who didn't deserve to be dumped in the shelter for any reason….and whoever adopts her won't be sorry!! She will love YOU to life!!
