**Breed: Lhasa Apso**

**Age: 6-7 yrs old**

**Sex: Male**

**Weight: 17 lbs**

MARCEL is a gorgeous, tan/white Lhasa Apso, approximately 6-7 yrs old and 17 lbs of love and cuddle. Marcel came to us from the Long Beach Shelter, where he sat and nobody came for him.

We didn't know why...we just knew he was a doll and we were right. The only thing we didn't know is that he is probably 75% sight challenged. He has dry eye, which will require drops in his eyes...but if we didn't see him bump into a wall now and then, we would not know he is blind. He jumps up to be on the couch with you and never falls! He will follow you around the house like he can absolutely watch what you are doing and he is just a wonderful, happy, handsome boy. We just got him and we will give you more information about him when we learn! He does like other dogs, doesn't like being left alone (he does not like

crates and will let you know!!). It takes him a minute to get settled but once he does...he's good. More when we learn more!
