Breed: Lhasa something ☐

Age: 3-4 yrs

Sex: Female

Weight: 20 lbs

MEET MELODY...another mystery breed! She looked like the picture below when we agreed to take her...and she came out looking like the pictures above when we went to get her! This gray/white, 3-4 yr old, 20 lb. miss is a Lhasa mix, but without her hair, I might say coon hound!! What she lacks in hair, she makes up in personality...but remember, hair grows!!

Melody is confident, loving and active. She is a kissy girl, who wants you to know how much she appreciates you. She seems

potty trained, but you know we never guarantee. She is quiet and attentive, very playful and is a doll who could go hiking with you. Men don't have to be embarrassed that she is "too small" to be an athlete! She is a cuddler and respectful of others in the house. She definitely wants to have another companion canine to spoon and play with! Can't find anything negative about this doll. Are you looking for a pup who can meet all your needs? Well, maybe not all of them, but at least your canine needs! Here she is!
