

Misha

Breed: Lhasa/Tzu Mix

Age: 3 yrs

Sex: Female

Weight: 14 lbs

MEET MISHA...a sweet 3 yr old, 14 lb, b/w, sassy Lhasa/Tzu, who came to us from the Lancaster shelter when we rescued Khloe.

Misha is a strong willed sweetheart who could be your one and only, even though she gets long fine with other dogs. She would love to give you all her affection and get all of yours! She would thrive in almost any environment, except where she is left alone. We don't recommend young kids (although she is good with everyone)...she is a bigger sized Tzu...with a long body like a Lhasa. When she bonds to you, she is an oversized velcro dog!

She was doing great with her potty training but has been at doggy playcare and may need a refresher course! If you are looking for a very, very affectionate dog, look no further.

She's your girl.
