Moxie and Rocky

Sex: Pair (one male, one female)

Weight: 10 lbs and 12 lbs

MEET MOXIE AND ROCKY….and these are two very lucky pups. Moxie is b/w, 10 lbs, 4 yrs old; Rocky is gray/white, 4-5 yrs old and 12 lbs. Their owner was giving them away on Craig's List because Rocky wasn't interested in making babies with Moxie. Their rescue angels went and rescued them, got them spayed and neutered and gave them to LHH. Two sweeter pups we have never had! They came to us looking like two ragamuffins but look at them now!! Moxie is the playful, kissy, leader of the two; Rocky is affectionate and dreamy…give him a belly rub and he'll

fall asleep in your arms. Together they are an incredible, balanced pair of dogs who adore each other and their humans! They love other dogs, people, even kids over 8 yrs old. This pair is very special and so are the humans who adopt them.
