THIS IS NICOLETTE...and maybe you can tell US what kind of dog she is! Obviously, black and white, about 16-18 lbs, a 1.5 yrs old and full of sweetness! She looks Spaniel Shih Tzu... with a long nose! Whatever she is, she is adorable and full of energy! She does not like being alone or closed in...but she will settle down and is not destructive. Another dog in her life is a plus but not a must. She does sit, come and stay on command, but doesn't stay long until she is off on another excursion! She is also good on the leash. Nicolette will need to go to a home where she will be exercised and has a yard to play in. The first time she heard a squeaky toy, she went bananas! SO CUTE! She will make a wonderful family dog and would be fine with kids over 8 yrs old. She is a happy loving little girl when she is

sitting on your lap and kissing your face...or running around the yard or playing fetch! What she needs most is love and we're going to make sure she gets lots of it. Will you?
