MEET OLIVIA…..a stunning mommy who has given birth to her final litter! Olivia is a 4 yr old, 11 lb, lovely Lhasa Maltese mix who was dumped in the Riverside Shelter about to give birth! We had great assistance in getting her out just in time….she delivered four puppies – three girls and a boy – the next morning! Just in the nick of time!!! Olivia was a wonderful mother, and it is obvious she has been down this road before….but never again! She is sweet, kind, gentle, protective in a good way and beautiful. We have kept her hair longer because she is so pretty and her coat is not difficult! Olivia hasn't shown any interest in toys…but she loves to play with and nurture her kids! She gives sweet kisses to let you know how much she appreciates her "freedom." The perfect home for this

darling doll would be one with kids over 8 yrs old, a family that can spend time with her and even another dog or two! She would fit perfectly in almost any home…and we know she will be adopted quickly..,..could Olivia fit in your life?

**Olivia will be available 3rd or 4th week in February; Her puppies will be available 2nd or 3rd week in March.
