**Age: 2-3 yrs**

**Sex: Male**

**Weight: 10 lbs**

THIS IS PHANTOM – a 2-3 yr old, tri-colored, 10 lb Shih Tzu. This sweet little guy is a great mix of calm and fun! He enjoys downtime with his humans, but also loves to play with his toys and other dogs. He should have at least one other small, playful dog in his new home. He's good in the car and great on a leash. He loves to cuddle and kiss his humans, but is also independent. We haven't experienced any separation anxiety with this guy. He appears to be housetrained in his foster home, but we never guarantee. He has demonstrated some food aggression – which he can be trained out of – but for that reason, we don't think he should go to a home with kids. Come meet Phantom – he won't be here for long!
