**PIRATE HAS FALLEN FOR HIS FOSTER ROOMIE, FRANNIE AND WANTS TO GO HOME WITH HER!!!**

**MEET PIRATE...a one-eyed, tri color, 2 yr old, 12.20 lb absolutely adorable Shih Tzu X. Not sure if he is purebred or not, but it makes no difference to us. What we can tell you about this little guy is he was brought to the San Bernardino Shelter with his eye dangling and their best estimation was he was hit by a car and left on the side of the road. They got him to the vet and had his eye removed! AND...the vet did a really good job! We don't know what his previous home was like, but they opted not to pick him up at the shelter when they heard about the fees they would have to pay. OMG their loss, our/your gain.**

Pirate is a precious soul! He's young, soooooo affectionate, attentive, happy. He will sit on his hind legs and watch while you prepare his dinner...and he is a great eater! He LOVES his walks, belly rubs AND his foster roommate Frannie – not necessarily in that order!! The two of them played in the yard and she wasn't quite as much of a player as he was but she caught up and didn't want to stop! See the video and pics below. Just cannot separate them!!

Pirate waits for Frannie to get her food before he eats!!! Pirate likes to chase toys but doesn't bring them back yet – she helps! They love to cuddle and kiss (with each other and you) and be right with you! They would love a yard to fun around in, each other and you! Would you bring an “arrrrgh” Pirate and a sweet Frannie to live and love in your home? They are waiting!!
