ROSEY AND POSEY ARE A PAIR

MEET POSEY…a shy, sweet as sugar, tan/black, 11 lb, 2 yr old YorkiePoo, who was thrown out of the house with her mom, Rosey. How anyone could do that to these wonderful little girls is beyond us. Loaded with fleas, ticks, an eye and ear infection, and a touch of bronchitis, this little lady was not feeling great when she arrived, but she rebounded quickly! Rosey is always close by at bedtime to cuddle with her girl and make sure she is okay.

Posey didn't walk on a leash when she arrived and now she is walking like a champ! That being said, walking the two girls can be challenging when they get excited! A little more

experience will help! A secret to Posey is shhhhh…..give her a belly rub and she'll follow you anywhere! SHE LOVES HER BELLY RUBS! Also loves to chase balls, play around and just be silly. Her first foster said that she barks and charges at other dogs – we're going to watch her for the next few days and see if that is the case in this environment! Watch for an update!

Both girls would be good with kids over 10 yrs (we wouldn't want a door left open to let them dart out), a home with a yard, a stay-at-home-while-you-work family who will take them to training, play with them and help them to become the best doggie citizens they can be! They don't have far to go!! Do they sound like a pair you could love?

More to come as we learn more!
